Overnight Closures on US-101 for Woolsey Fire Restoration Work

CALABASAS, AGOURA HILLS – The California Department of Transportation (Caltrans) announced plans to begin repairs along northbound US-101 due to damage caused by the **Woolsey Fire** in the cities of Calabasas and Agoura Hills.

Beginning Monday, December 10, the following closure will be in place from 7:00 p.m. to 6:00 a.m.:

- Two right lanes and shoulder of northbound US-101 from Parkway Calabasas Rd. to Liberty Canyon Rd.
- Northbound Las Virgenes Canyon Rd. on and off-ramps

The work is scheduled to be performed six days a week, Monday through Saturday. **Closures are weather permitting and subject to change.**

Caltrans will be conducting multiple repairs along US-101, including the following work:

- Installation of K-rail;
- Replacing damaged guardrail;
- Clearing drainage lines;
- Removing burned debris;
- Replace damaged fencing;
- Applying erosion control at affected slopes.

Motorists should expect delays and are strongly advised to allow plenty of time to reach their destination. Additionally, motorists can check traffic conditions before they leave by visiting the Caltrans [Quickmap](#).

Caltrans reminds drivers to be “Work Zone Alert” and to “Slow for the Cone Zone.”
